Standard tuning

♩ = 90

The diagram illustrates a 4-bit shift register system. At the top, four 4x4 grids represent the bit patterns for the chords C, G, Am7, and Fmaj7. Each grid has a header row with 'x' and 'o' markers. Below the grids, a timing diagram shows the bit values for three rows (T, A, B) over time steps 17 to 20. The values are as follows:

Time Step	T	A	B
17	3	0	3
18	3	0	3
19	3	0	3
20	3	2	1
